

LEVEL 2 DIPLOMA IN WORK-BASED FENCING

Introduction

This qualification is a competency-based qualification and is based on the Fencing National Occupational Standards. This qualification is aimed at those who are involved in a variety of fencing roles (general fencing and vehicle restraint systems) and is suitable for those who are working in a technical role or supervisory/management level.

Structure

This qualification has six mandatory units and six optional units which are divided into two pathways, general fencing and vehicle restraint systems. To achieve the Level 2 Diploma in Fencing, the learner will need to achieve six mandatory units and a minimum of three optional units.

TQT

444 Hours

Pre- requisite

This accreditation is available to anyone over the age of 16 who is capable of reaching the required standard. There are no barriers that restrict access or progression thereby promoting equal opportunity. It is expected however that learners will have a level of literacy adequate to cope with the assessment.

Grading

Pass

-

Expectations at level 2

Achievement reflects ability to select and use relevant knowledge, ideas, skills and procedures to complete well-defined tasks and address straightforward problems. It includes taking responsibility for completing tasks and procedures and exercising autonomy and judgement subject to overall direction or guidance.
